Webinar Housekeeping

The screenshot shows a webinar interface with a presentation pane on the right and a sidebar on the left. The presentation pane displays a slide titled "Building the DevOps Tool Chain" dated "January 17, 2017". The slide features the Vivit logo and the text "Discover the independent HPE software user community where you can share, collaborate, exchange, and grow". The slide is divided into sections: "LOGO/PICTURE" (top left), "Q&A" (bottom left), "COMMUNITY" (middle left), "Solutions" (middle right), "ADVOCACY" (top right), and "EDUCATION" (bottom right). The sidebar on the left contains a "Q&A" section with a text input field and an "Ask" button, and a "DOWNLOAD FILES" section with a table showing "No file Found".

4 Focus Areas

DevOps
Hybrid IT
Security and Risk Management
Predictive Analytics

DevOps

- Relevancy is about speed to market... without compromising quality.
- Requires ITOps to move at the same speed as DevOps.

Hybrid IT

- Requires world-class agility to run complex environments at scale.
- Simplifying complex environments, bridging the old and the new.

Security and Risk

- Traditional approaches are no longer effective.
- Requires an end-to-end, data-centric lifecycle view of security and risk.

Predictive Analytics

- Turning raw data into actionable insights.
- Providing intelligent applications with big data analytics built in.

A pair of glowing blue eyes with a digital background of code. The eyes are the central focus, with a bright blue light in the center of each. The background is a dark, blurred field of white and light blue text, resembling computer code or data. The overall color palette is dominated by deep blues, purples, and oranges, creating a futuristic and mysterious atmosphere.
